Memorandum for:

The Central Intelligence Agency

Subject:

The Communist Peace Offensive

Thanks very much for sending us the informal paper on the above subject. I circulated it among our senior staff and it was the object of a steering group discussion. Generally, we felt that the conclusion in the last paragraph merits a good deal of further consideration, and it is proposed to give some more thought to that idea. We felt, however, that the specific objection to the subject of inviting travelers is fraught with difficulties.

We would very much welcome the opportunity to take a look at any additional thoughts along these lines that may be developed.
